DETAILED ACTION

Response to Amendment

1. This action is in response to the communication filed on 01/13/05.
2. Claims 8-14 and 17-24 have been cancelled in this amendment.
3. Claims 1-7, 15-16 and 25-26 are pending in this action.
4. Claims 1-7, 15-16 and 25-26 are allowed.

Allowable Subject Matter

Claims 1-7, 15-16 and 25-26 are allowed.

The following is an examiner's statement of reasons for allowance:

As per claims 1-7, 15-16 and 25-26: the claims are directed to privacy and/or authentication. The prior art of record does not fairly teach or suggest the techniques of composing a "total" personal password which carries a personal record data obtained from a person's predetermined personal activity and personal identification information that, at least, comprises a cell phone number and wherein the total personal pass word is transmitted from a cell phone to a center, as recited in claims 1, 15 and 25. Examiner would like to make a note that these claims are allowed in light of the specification wherein the scope of the "total" personal pass word is taken as defined and/or limited therein (see fig. 1-3 and page 3, line 2-page 5, line 9).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
